John

This year, the Wizard staff has dedicated the yearbook to a pillar of Edison. He has served as athletic director for twelve years and as a math teacher since September, 1931.

To the students and faculty, he is thought of as a "neat guy." In his spare time, he likes to hunt and fish. One of his favorite pastimes is watching the Tommies win athletic events.

He graduated from Hamline University and has taught at Edison ever since.

We are delighted to dedicate the 1970 WIZARD to Mr. Christopher Hamrin.

Jim,
Don't work too hard this summer. Play it cool. Best of luck.

Homecoming

Welcome To Our Castle

The setting, the entertainment, and the coronation, all contributed to make the homecoming assembly memorable.

Excitement arose as last minute touches were put on the floats and the assembly was rehearsed. It was homecoming—1969. The mood was "Mystical Medieval Magic" as Jean Slanga was crowned to reign over homecoming festivities. A parade along Central Avenue sent a spark of pride through the air—"WE'RE FROM EDISON, COULDN'T BE PROUDER." The excitement carried over to the game as the "Knights of Edison" rode for a valiant 19-14 victory over North. Upon nightfall, as each "Knight" and his "Lady" arrived at the dance, the evening was truly "A Knight to Remember."

November 7th proved to be the girls' big chance to catch the guys. Music was provided by the Happy Daze. Unwilling Edison males were dragged to the preacher for four-bit marriages, which fortunately ended promptly at midnight.

Top row: Don Wasilak, King John Hitchens, Bob Stephenson.
Bottom row: John Burns, John Jalma.

Sno Daze '70

Sno Daze, January 9th, 1970, was a great success. King John was crowned to reign over the festivities. Entertainment was provided by music and lively dances during the assembly. Carnival thrills and dancing to the music of the "Bananas" brought the "Wizard Blizzard" to an exciting end.

Band

Our fearless band leader—Mr. Freese

This year has truly been an outstanding year for Edison's band under the direction of Mr. Freese. They were chosen to represent the entire city at the 1969 Football Preview as well as adding another trophy presented at the East Side parade.

The band played to an enthusiastic crowd as they performed their second annual pop concert, a tribute to the music of the sixties.

Again this year the faculty, student body and the entire Northeast community congratulate Mr. Freese and the Edison band for the splendid work done this year.

Top Honors

JANE NELSON—"The most lost day is the day on which we do not laugh. Next year I will attend the University of Minnesota and probably go into pharmacy. Some day I hope to return to Belgium, where I spent my summer as Edison's American Abroad Student."

ELLEN FALKUM—"Next year I will attend St. Olaf or Mankato State to begin study for my baccalaureate degree in nursing. To make life meaningful for myself and others is one of my major philosophies.

ANN CALVERT—"Next year I will be attending the University of Minnesota School of Architecture. If I'm lucky, I may be able to travel in Europe, perhaps to study architecture there. My philosophy is to contribute something positive to the world."

CRIS THOREN—"My senior year was terribly frustrating. Decisions that had been put off for the past few years had to be made—like deciding where my life will lead me (generally). I know my interests lie in drama and English. I hope to attend college on the east coast.

JEANINE JONCAS—"I am going to the University of Minnesota and then going into politics and finally becoming the President of the United States."

MARY SMACIARZ—"I plan to attend the University of Minnesota next year and become exposed to all types of people. My philosophy on life comes from Socrates, an unexamined life is one not worth living."

DUANE OYEN—"In September I will join 40,000 other nameless, faceless, creatures at the U. of Minn., and enter obstetrics. Then I will devote the balance of my life to fight yearbook censorship. My avocation is perusing the prolific works of P. G. Wodehouse and Wm. F. Buckley.

JANE HAUGEN—"A good sense of humor is the key to happiness in life. I'm very excited about attending Hamline University and plan to teach mentally retarded or I'll come back and be a math consultant for Mr. Luck.

JANET SHOLES—"Sports, is number one on my list. At Springfield College, in Massachusetts, I will major in physical education. My hobbies include tennis, badminton, volleyball, and golf."

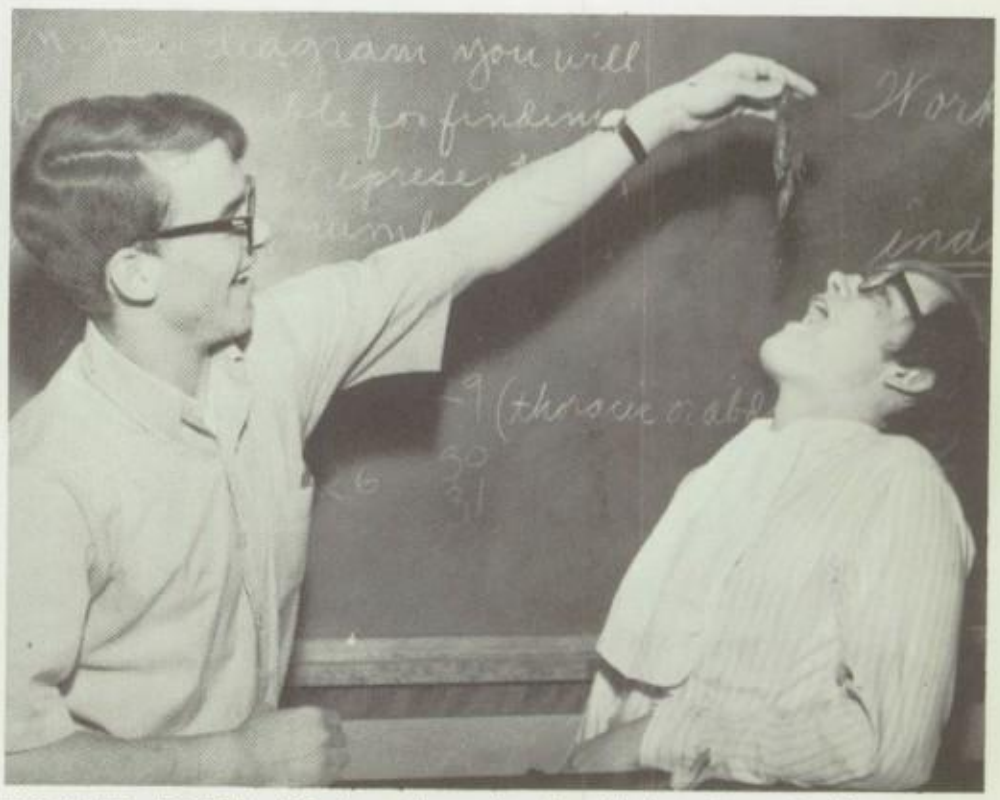
DAVID APOLLONI—"Listening to 18th century music is one of my favorite hobbies, along with the languages Italian and Latin. I will major in philosophy, and minor in mathematics or language at U. of M., C.L.A."

GARRY ESPE—"I plan to attend the U. of M. and probably take Russian, plus a variety of other courses. After becoming rich and famous, I will travel to Russia. In my spare time I enjoy losing weight and not eating."

GERRY ESPE—"I am going to the U. of M., C.L.A., planning to be a Business Executive. I will someday become a famous tennis player, then a heavyweight grappler champ. My hobbies include eating and food tasting."

RENEE CEREPAK—"My plans for the future are to attend the U. of M. where I'll major in mathematics. After receiving my doctorate in this field, I plan to enroll at Harvard where I'll eventually become the Dean of Men."

NEOTA JOHNSON—"I will attend the U. of M. at Duluth and major in journalism, minor in English. I enjoy free-lance writing in my spare time, when I'm not bike riding through the country."



DONALD ZOERB—"Going through the University of Minnesota, School of Forestry, will be my goal. I enjoy swimming, bow hunting, and fishing."

ALLAN OTTOSON—"I am going to the University of Colorado, and probably get lost in the mountains. I will major in music, and after do some traveling."

LISA HART—"Skiing with Jean Claude Killy is my goal. I will be attending the College of St. Benedict, majoring in journalism. In my spare time, I like to ski and play with my dog."

RICK FEDORS—"I have contracted a chronic illness called 'owlism.' This being the result of numerous 'busy work' assignments that I have been forced to sacrifice my sleep for to complete on time. Exhilarating and different experiences are my bag. If anyone wants me this summer, I'll be out in Colorado looking for Al."

RANDI NORDSTROM—"I will begin my pre-med studies at the University of Minnesota, and continue at the University Medical School. I hope to become a surgeon. I will continue dancing, reading, sewing and skiing."

PAT KUSZLER—"My future plans are to major in pre-med, hopefully at Oberlin, and eventually go on to medical school, specializing in Neurology or Psychiatry."

JOAN HELMBRECHT—"I plan to attend the U. of M. and major in Elementary Education. I hope to travel, live in the mountains, maybe Colorado, and practice professional puddle jumping."

TERRI WAGNER—"I plan to begin my French major at the U. of M. and eventually continue it in France. After completing my education, I intend to fulfill my dream of becoming French sports commentator for the Montreal Canadians.

KATHY ANDRAJACK—"I plan to major in history at U. of M., and later travel through Europe. On my return, I hope to become Terri's English counterpart as sports commentator for the Montreal Canadians."

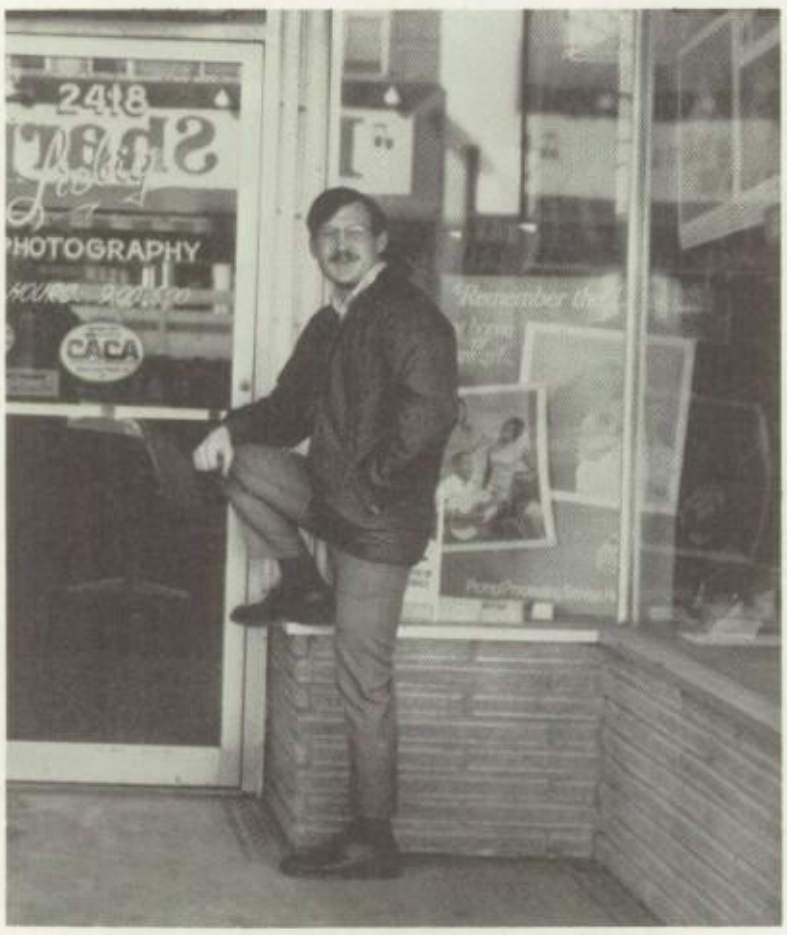
Wizard Staff

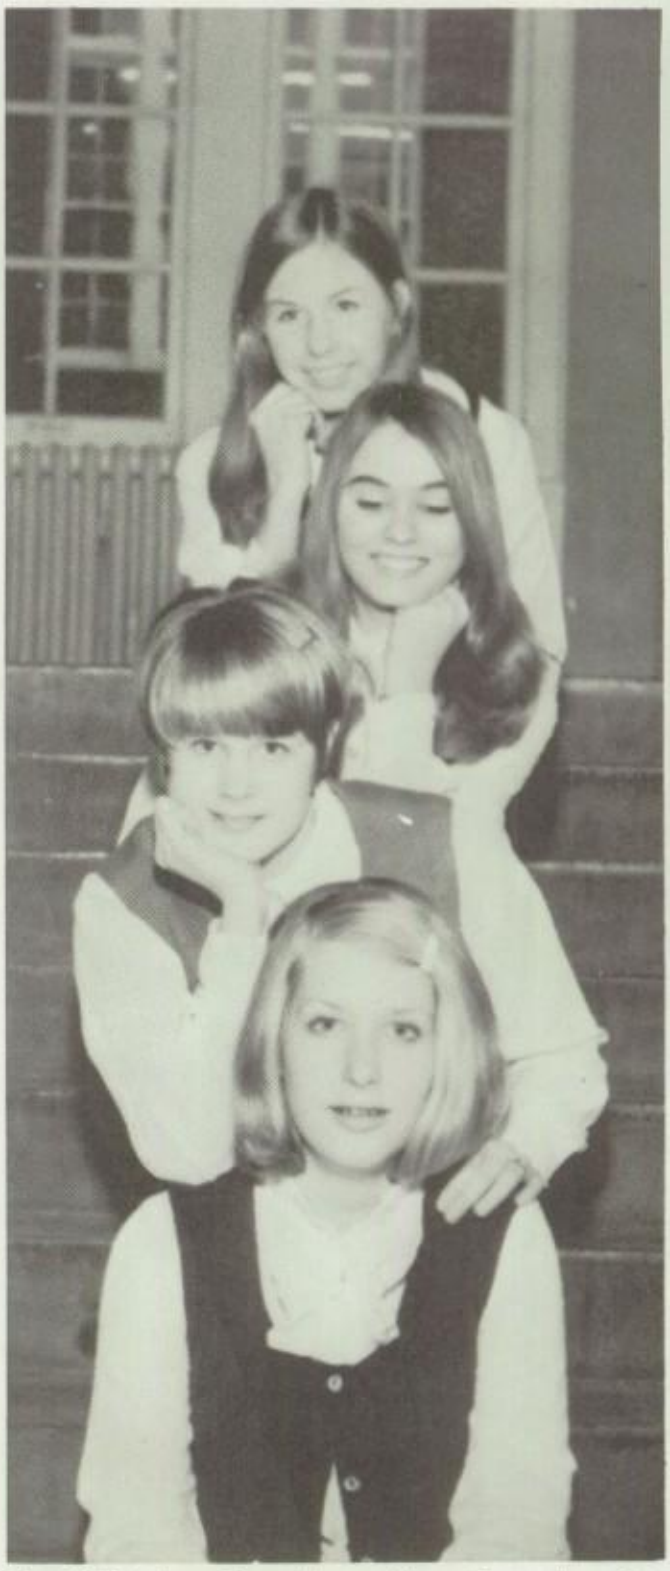
ADVISOR: Mr. Pibal, EDITOR: Ellen Falkum, ASSISTANT EDITOR: Terri Wagner.

A splash of color will only brighten the memories we will have from this year's events. Mr. Pibal, our advisor, did a great job leading us through chaotic deadlines. The staff worked zealously and put out one of the best Wizards that ever came off the press! We hope we have not only captured the numerous and exciting happenings but caught the true spirit of Edison High School of 1970.



PHOTOGRAPHERS: Don and Mike Liebig.

For a professional job, we got the best. Thank you.



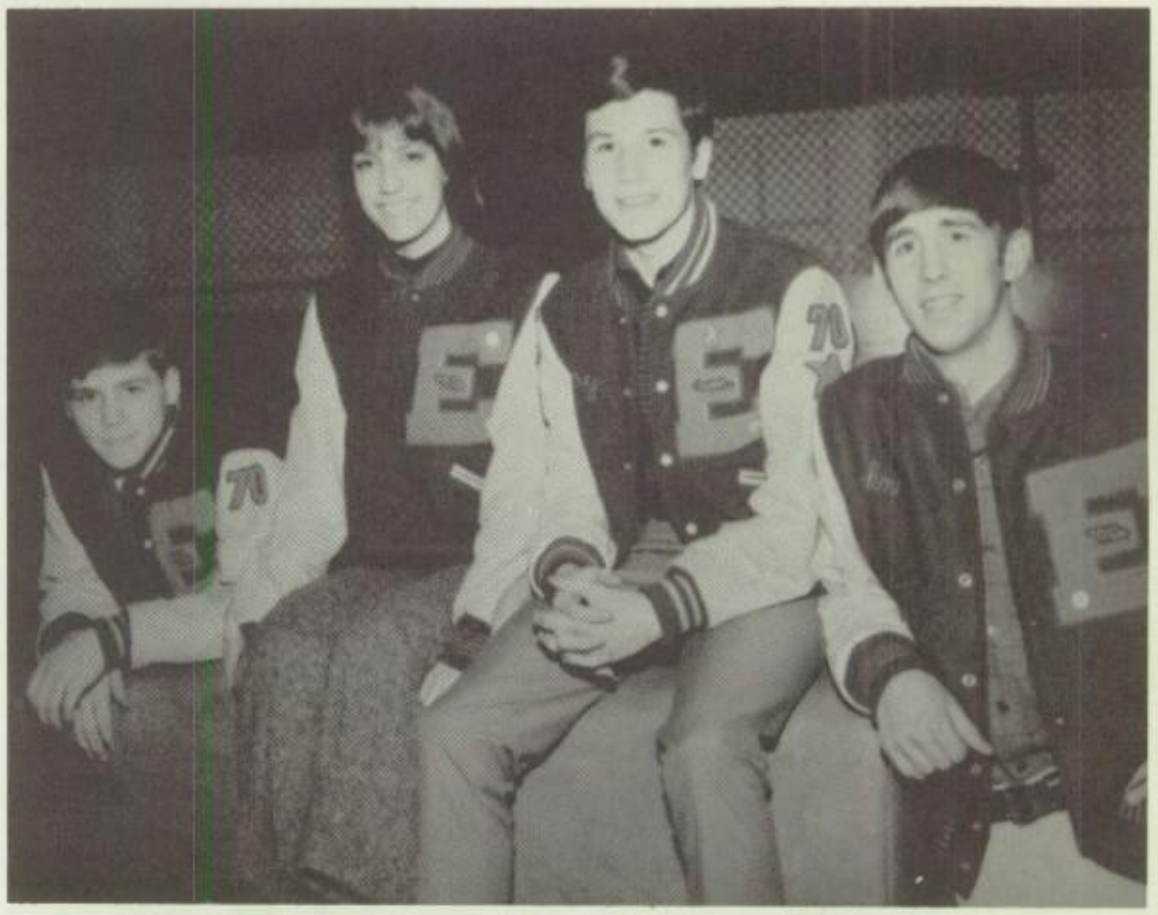
CLASSES: Jane Turnblom, Mary Fagerlee, Pat Anderson, Joy Slabiak.

We're on our way up the steps of success after this year's hectic work. Keeping track of names and faces, and making them match brought a variety of conflicts that had to be overcome. This year we had a great staff on classes which included Joy Slabiak, Pat Anderson, Jane Turnblom and Mary Fagerlee. We were lucky we were able to surmount this problem and bring you the best book yet!

ORGANIZATIONS: Pat Kuszler, Jeanine Joncas, Debbie Fremouw, Kay Falkum, Bev Baron.

Through some strange quirk of fate, we, the five most unorganized people on the staff were given the awesome task of assembling the "Organizations." For six months our little group, which consisted of Pat Kuszler, Jeanine Joncas, Bev Baron, Debbie Fremouw and Kay Falkum frantically rushed around the school terrorizing students, faculty, everybody, in our unending quest for names, pictures, clubs, etc. After much trial and tribulation, we put together 24 nearly perfect pages of "journalistic copy." As the year ends we would like to extend our thanks to the students, faculty and our "Wizard," Mr. Pibal, who have made the 1970 Wizard the greatest Wizard ever!

"Who wants to go to the store?" That was the motto of this year's Sport Section. Led by John Hitchens, this small group consisting of Greg Seawell, Milena Paich and Kevin O'Rourke courageously spent many hours to make this year's sports the best covered ever!



BOYS' SPORT: Kevin O'Rourke, Milena Paich, Greg Seawell, John Hitchens.

GIRLS' SPORT: Jane Nelson, Mary Kellerman.

Jane and Kelly spent a groovy year filled with, "I thought you did that. No, you said you were going to . . . Where are the volleyball pictures? . . . You have 'em . . . But I gave 'em to you." In spite of all their troubles, they turned out a fantastic section! Of course what else would you expect, their subject was fantastic!

FACULTY: Sue Herrmann, Debi Beihoffer, Rosalie Crawford.

SCHOOL LIFE: Karin Beck, Liz Huebner, Joan Helmbrecht, Halyna Breslawec.

Our School Life section managed to put together 33 fantastic and meaningful pages; of course the greatest done in the history of the yearbook. Meeting deadlines and preparing the layouts and copy was tough, but through consistent effort, we managed to conquer all obstacles. The excellent quality of our section was enlightened by our fabulous color photos, which we managed to get into our section. We attempted for nothing but the best. Though weary and fatigued, we struggled and strived. Perfection was accomplished!

In this simple paragraph we wish to express our sincere gratitude to all those who made our class what it is.

Because

"WE ARE GREAT AS YOU CAN SEE,
WE'RE THE CLASS OF '70!

This superior section has been put together with great effort on our part. We have enjoyed finding out what our teachers wanted to be when they grew up, and how they turned out. We hope you will enjoy it too!

*Editors Note

DO NOT DESTROY THIS BOOK. We get many requests for past Wizards each year.
